All tiles are made-to-order. Leadtime 8-12 weeks depending on order size and complexity.

Made using the same bases and glazes as Hanley and Hanley Tube Line, so these collections can be mixed.

We recommend a Blush or Translucent base colour for the most consistent finish between Tube Lined and Plain tiles.

All colourways are the same price. Priced by size.

Given the complexity of these tile designs, they are only suitable for smaller tile installations under 15 SQM or 160 SQF.
